ČERTOVINY

The poster features two characters dressed as devils, standing in a lush green forest. They are wearing dark, furry capes and have small horns on their heads. The background shows a bright blue sky with a few birds and rolling green hills in the distance. The title 'ČERTOVINY' is written in a large, ornate, golden font with a long, curved tail that ends in a small devil's head. Above the title, the text '– po čertech hezká pohádka –' is written in a smaller, simple font.
